## Description

If you have an immediate need to make a foreign payment, for example you have an invoice from an overseas supplier; you can convert the currency amount required and pay the invoice quickly and easily through our partners' online platform. The conversion rate you receive will be based on the 'live' market spot rate and enable you to know the exact funding costs to cover your payment. Get automatic SWIFT payment confirmations instantly which provides a proof of payment. Prevention of payment deductions from intermediary banks so the amount you send is the amount received. Wide range of currencies. You can trade, make payments and hold balances in 35 currencies in your online platform and over 130 currencies over the phone. We help ensure that you undertake your foreign exchange transactions in the most cost-effective and hassle-free manner. Payments through our partners are quick and simple; we have a number of currencies available for same day payments and over 50 currencies available on next day payment delivery.
