Description

Our company has been recruiting sales and marketing professionals in Europe for more than 8 years. Marketing: The Find Right Fit Assistant helps you find the right fit by providing a multilingual consultant for your recruitment project. Using this expert consultant, you can efficiently find the right talent based on their human competencies, such as communication skills and creativity, as well as on their technical skills, such as SEO, SEA, copywriting, graphic design, web design, data analysis, etc.). In Europe, our agency helps start-ups, SMEs, and key accounts develop through its expertise in recruiting professionals. Throughout the recruitment process, we help you select the best multilingual candidates for your company. Using a direct strategy approach, your dedicated account manager creates and shares your vacancies, identifying relevant candidates and presenting you with the best candidates. Sales: Our team works closely with various companies to find the right expert for their needs. To be successful in today's economy, your sales team must be efficient, proactive, and strong. We are a leading recruitment agency with specialized consultants across a number of industries. You will be assisted by your dedicated account manager in finding the right candidate for the role you need filled. You can trust your multilingual sales account manager to find the best candidate for your company, whether they are sales development representatives, business development managers, head of sales, sales area managers, or technical field sales account managers.
