

Pleasantview Inspections

11020 99 Ave
Edmonton, Ab T5K2M2
United Kingdom

Phone: 7806955595

Pleasantview is a local home inspection - property management company company that provides comprehensive, high-quality property management and home inspections and delivers thorough inspection reports. These reports emphasize every aspect of the home with detailed pictures, diagrams, and recommendations from our licensed home inspectors. Our job as home inspectors is to provide the unbiased truth; we don't emphasize whether you should or should not buy a home; we simply present the facts of the home. Additionally, our mission is to raise the standard of home inspections by educating home buyers, sellers, and real estate agents. Thus, we are committed to continuous learning, teaching, growing our

team, and passing along that knowledge to our clients. In conclusion, we are dedicated to delivering high-quality and transparent services for every

client. Website:
